

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA

William Dennis Echols,

Petitioner,

Criminal No. 97-33 (RHK/FLN)

vs.

ORDER

United States of America,

Respondent.

Having determined that Petitioner's pending "Civil Motion Pursuant to 60(b) ¶ (6)" is a new collateral attack upon his sentence and that he has previously filed (in May 1999) a section 2255 Petition, he must receive authorization from the Eighth Circuit to file what is in reality a successive petition; he has not done so. Accordingly, and upon all the files, records and proceedings herein, the Civil Motion Pursuant to 60(b) ¶ (6) is **DENIED**.
